But in spite osef the drawbacks, the opera was given in a manner which answered the high expectation of the audience.

Madame Angiolina Ghione assumed the role of "Lenore," and sang with almost unexceptional good faste and expression, but we were not specially impressed with the dramatic part of her representation of the character. It was lacking in grace and sengetable.

SATURDAY EVENING, Oct. 21, 1865.

The course of monetary affairs at the inancial centers during the past week hus been feverish and unsettled, and the week closes in anything but a satisfactory condition. In New York there has been a steady idency toward stringency in currency, a natural effect of which has been to embar rass trade and unsettle values.
